Please Outline Your Current Goals:

Why do you want to participate in the Sustainable Recovery Coach, Case Management Program?

Please answer the following questions and provide relevant details as appropriate. This will allow us to have a better understanding of how to customize your recovery program.

Do you have a driver's license? _____

Are you currently on probation? _____

Do you currently have any outstanding warrants or pending legal matters?

Do you have any immediate or ongoing medical needs?

When was your last physical exam?

When was your last psych evaluation?

When was your last dental visit?

What is your current living situation?

Who do you live with?

Does your current living situation require a sobriety contract?

Do you have a bank account?

Have you done your own laundry?

Do you do your own grocery shopping?

Do you have any experience cooking for yourself, besides microwaving?

What level of education have you completed?

What is your working experience?

Do you exercise?

Are you or have you ever been involved in 12 Step recovery groups?

Do you have a preferred 12 Step group?

In your life, today, what would you like to improve upon?

Do you have long term personal goals and dreams? What are they?

As a participant in Sustainable Recovery's model:

- Are you willing to live a different life than you ever have before?
- Are you open to giving and receiving feedback in a respectful manner?
- Are you receptive to new ideas, perspectives and points of view?
